

# Revit Power Pack Gold

Cost: R13,750 (excl.)

Cadplan's Revit Power Pack is an essential collection of Revit add-on software, symbol libraries, support and training services to facilitate your transition to Revit

## BIMContent Manager

BIMContent Manager is a powerful application developed by Cadplan to manage and distribute Revit content.

## Revit Shortcut Highway

Cadplan's highly acclaimed 3rd party software to manage and edit Revit shortcuts.

## Symbol libraries

Powerpack includes a wide range of Revit architectural symbols comprising: furniture (residential and commercial), sanitary, kitchen fixtures, cabinets, electrical, landscaping, cars, people and architectural detailing.

*Additional content is added monthly.*

## Local Content

Power Pack also includes alot of local content by various door and window manufacturers, namely -AGI, AC Doors, KALAluminium, Cape Windows, Durowin, Rutherford, Swartland, Van Acht, Winblock, Wispeco.

*Additional content is added quarterly.*

## Support

Unlimited phone support (return calls: Telkom lines only)  
Unlimited email support

## Extras

### Fundamentals training

A 5 day Revit Fundamentals Training Course included.

### 7 Cadplan Hours

Cadplan Hours can be used for project implementation, "on site" Revit advice and installation. Extra hours can be purchased whenever required. 7 Cadplan hours would include the following:

### **Predefined office standards template (Approx. 2 Cadplan Hours)**

This template is vital to ensuring your firm's quick start on projects as it includes wall styles, partition styles, floor styles, roof styles, dimension styles, text styles, line weights, title blocks and drawing sheets.

### **Installation**

**(Approx. 1 Cadplan Hour per office installation)**  
Includes Revit installation and future upgrade installation.

### **Implementation**

**(4 Cadplan Hours, or balance of remaining time)**  
A Revit Implementation Specialist will assist you on starting a project using the best practices.

## We are a Premier Solutions Provider

Autodesk Premier Solutions Providers (PSP) represent the top tier of the Autodesk Value Added Reseller (VAR) channel, and excel at implementing Autodesk solutions. To qualify for Autodesk PSP status, a VAR must demonstrate technical and industry expertise - including a strong knowledge of customers' business needs - in the areas of Infrastructure Solutions (ISD), Building Solutions (BSD), Manufacturing Solutions (MSD), Collaboration Solutions, or Government and Education.

## Autodesk Authorized Training Centre (ATC)

Number 1 ATC in EMEA (Europe, Middle East & Africa) - awarded October 2007.
